Myth letter

when I started to use myth I thought I was on top of the world & nobody could stand in my way and nobody could stop me. I didn't care about anything else besides my next high or my next bag. I didn't care about how I got the money as long as I got it & then I started to pawn every thing I could & sale anything anybody wanted & some off the staff I pawned was my PS3, & my Wii watch I said I never would pawn them but they were the frist to go. Then I sold two neons for $600 when the one was worth more then that & that was just begaining I lost a lot sleep & I started to lose my mind & then the one time I pasted out & I woke up to go to work & my mom called & said the cops were searching my room & I freaked out because they were looking for My brother & he dont live here but they found a onoy setting out so they shearched my room & found a bunch of Myth Stuff that I lifted in the house watch was the frist time I lifted in the house. So I talked to the cop on the phone & he said I'm going to have to come in & talk to them & I asked about my kids & what was going to happen to them

& they told me that socail sevecis was getting involed & I was going to loss them & I had to give my X wife temp. custody until they figured out what they were going to do. Once that happened I lost my wife & my kids I went to jail & then I got out & I countied to use I figured it I lost what was most important to me & about a week and a half later. I was seating in the garge coming Down & I just didn't want to hurt any more. so I was going to take the easy way out & kill my self & I had a knife in one hand & my cell phone in the other & AS I was bring the knife up to cut my thorat My little brother called & talked me out of it & I told him I didn't care about the boys or anything I just wanted the pain to stop & he talked to me all night & the I called social services the next day & told them what happened & I needed treatment now so they got Me in to do My rate 25 & I went to New beginings in warvely, MN watch I would recamind to go there if you want help & because I did go there I got 90 Days clean & My kids back & my life is better then it has ever been
